MLA Citation Format

The paper should be double-spaced with a margin of 1 inch on all sides. There is no title page. The pages are numbered in the top right corner preceded by your last name. The first line of each paragraph is indented. References are on a separate page entitled Works Cited. The first line of each entry is flush with the margin, subsequent lines are indented. Italicize titles etc. as shown below. Alphabetize by the first word in each entry (usually the author's last name). Identify the source medium (Print., Web. etc.).
